BOD 06/17/24 Effective 12/01/24

SUBCHAPTER HU-2 COMPETITION REQUIREMENTS

HU102 Competition Requirements – Rider or Handler

In order to compete in any Hunter, Hunter Breeding, Pony Hunter Breeding, Junior Hunter, or Pony Hunter classes at licensed competitions as an exhibitor, rider, trainer, or their agent(s), a person must be an Active member of the United States Hunter Jumper Association, Inc., or pay a Show Pass fee to the United States Hunter Jumper Association, Inc. Exception: Local Competitions, competitions restricted to a particular breed, classes restricted to breeds with Federation Recognized National Affiliate status, and exceptions listed in GR901.9.

HU103 Competition Requirements – Horse & Pony

1. USHJA Horse Registrations.
 - a. All horses competing in Federation licensed and/or USHJA sanctioned competitions with Hunter, Hunter Breeding, Jumper and Hunter/Jumping Seat Equitation classes (except those activities enumerated in GR901.9, items 1-9) not restricted by breed must be properly identified in accordance with GR1101, and must also be registered with USHJA (see GR1101.1). Any change of a horse's name and/or ownership must be recorded with Federation and USHJA in accordance with GR1105 and GR1107. The USEF/USHJA registration number for each horse must be entered on all entry forms for licensed competitions.
 - b. Applications for USHJA Registration can be completed online at www.ushja.org using the USHJA Horse Registration application form. This form is also available from the USHJA office, as a download from the USHJA website or from competition management. Competition management is responsible for notifying exhibitors of this requirement in their prize list.
2. The Hunter Division is open to horses, stallions, mares or geldings. (For rules pertaining to exhibitors who are 18 years of age or older riding ponies, see HU101)

HU104 Microchipping

1. In addition to the provisions of HU103.1, on or after December 1, 2017, all horses competing in classes that require USHJA horse registration must provide a microchip number that verifies their animal's identity in order to compete for points, money won or be eligible for Federation and/or USHJA programs and awards where horses are required to be recorded or registered.
2. A microchip used to verify identity must be a fifteen-digit ISO compliant 11784/11785 chip and be implanted in the nuchal ligament of the animal.
3. This rule will have a transition period from December 1, 2017 to November 30, 2018. During this period, animals that are not in compliance with this rule will not receive points or be eligible for Federation and/or USHJA programs and awards. After this period, all horses that are competing in classes which require

USHJA registration which are not microchipped will be ineligible to compete in Federation licensed competitions. Exceptions: USHJA Outreach and those activities enumerated in GR901.9, items 1-9.

SUBCHAPTER HU-3 ATTIRE, TACK AND EQUIPMENT

HU105 Tack

1. Snaffles, pelhams and full bridles, all with cavesson nose bands, are required.
 - a. Judges may penalize, but may not eliminate, a horse or pony that competes in a snaffle, pelham, or full bridle that is unconventional. Unconventional snaffles, pelhams, or full bridles include, but are not limited to, hunter gags, kimberwickes, etc.
 - b. Judges must eliminate a horse or pony that competes in illegal bits or nosebands. Illegal bits include, but are not limited to, three rings, gags (other than the hunter gag), et cetera... Illegal nosebands include, but are not limited to, drop, flash and figure eight nosebands.
2. Curbs: When using a curb with any leverage bit, it must be constructed of loose links, joints, and/or lie smooth against the jaw of the horse and be free of twists, sharp objects or anything inhumane. A curb may be wrapped or inserted into a cover for the comfort of the horse. A curb may not be used in conjunction with wire, metal, rawhide, metal “keepers”, or any other substance except for attachment of curb to the bit.
3. Horses must return to the ring for conformation or soundness wearing a snaffle, pelham or full bridle with a cavesson noseband.
4. Martingales of any type are prohibited in under saddle, hack and tie-breaking classes. Standing and running martingales used in the conventional manner are allowed for all over fences classes. All other martingales are considered illegal. A judge must eliminate a horse or pony that competes in a martingale other than a standing or running martingale used in the conventional manner.
 - a. Cable or metal tie downs are prohibited for use on horses and ponies.

HU106 Equipment

1. Light pads and bar shoes are permissible, however, bar shoes indicate a weakness and in Conformation classes a judge may penalize accordingly. All artificial appliances, including but not limited to nasal strips, nose nets, belly bands, boots, wraps and bandages are prohibited. In the case of inclement weather competition management may permit the use of bell boots.
2. Electronic Communication Devices
 - a. No mounted exhibitor may wear or carry an electronic communication device (i.e., cellular telephone, pager, walkie talkie, iPod, etc.) while in the competition ring. The penalty for wearing or carrying a forbidden device if observed by the judge may be elimination from the class during which the device was worn or carried.
 - b. Electronic communication devices used for purposes of coaching, etc., between competitors and individuals outside the ring shall be prohibited in all classes.
 - c. Exhibitors who have a chronic condition may apply for a Presidential Modification exempting them from the provisions of this rule in accordance with GR153. Riders may not use these devices in over fences classes.
 - d. An exhibitor who has a chronic condition and has previously been granted at least one annual Presidential Modification related to the condition, may submit an application for approval of a special three-year Presidential Modification related to the same condition. The application must be accompanied by sufficient supporting documentation that the condition is unlikely to improve during the three-year period.
3. Any rider competing and or riding anywhere on the competition grounds with their stirrup, stirrup leather, or foot tied and/or secured in any manner, will automatically be eliminated from the entire competition. The steward will note the trainer name(s) on the steward’s report and further disciplinary actions may be taken by the Federation.

4. Whips. Competitors are prohibited from carrying a whip that is longer than 30" (75cm) while jumping or schooling over fences. A rider may not carry more than one whip. Whips that are weighted at the end are prohibited. (Exception: Ladies Side Saddle and appointments classes. See HU151.)
5. No exhibitor may carry a whip longer than 30" while competing.

HU107 Attire

1. Protective headgear. All riders must wear protective headgear. See GR801.2. While competing in a jumping class, if a rider's chin strap becomes unfastened, the rider may stop, refasten the chin strap and continue their round without penalty or elimination. A judge may, but is not required, to stop a rider and ask them to refasten a chin strap which has become unfastened, again without penalty to the rider.
2. Conventional attire following the tradition of fox hunting is encouraged and preferred. It is further recommended that the rider's attire does not distract from the performance of the horse and rider. Judges shall not eliminate a rider for unconventional attire except for safety (see GR801). Shirts must have a choker, similar collar or tie. Breeches may be buff, canary, tan, rust or white.
3. Formal Attire. Riders are required to wear scarlet or dark coats; white shirts with white stock; white, buff or canary breeches. Members of the Armed Services or the Police may wear the Service Dress Uniform.
4. Inappropriate attire. When management permits Hunter or Hunter Seat Equitation riders to ride without jackets, riders must wear traditional, short, or long-sleeved riding shirts with chokers or ties. Polo shirts and full chaps are not permitted except in unjudged warm-up classes. Management or Judge may eliminate an exhibitor who is inappropriately attired.

HU108 Hunt Colors

1. In classes restricted to members, subscribers or staff of a Hunt recognized by the Masters of Foxhounds Association, all riders who wear colors must carry a letter dated within the current year signifying that they are eligible. This letter must include the name of the Hunt and the color of the collar and must be signed by the Master or Honorary Secretary of that Hunt. The show committee must appoint a competent person to check these letters before riders compete in classes. If a rider holds a current letter but does not have it in their immediate possession or is entitled to receive one, the show committee may accept a signed statement to that effect which must be submitted to the Federation.
2. In classes restricted to junior exhibitors, rules concerning hunt colors will be strictly enforced. Unless a junior wears scarlet, brown boot tops are prohibited.

SUBCHAPTER HU-4 COURSES

HU109 General

1. All obstacles, except those noted below, must be set at required height. The required height may have a variance of no more than 2" over or under. Exceptions:
 - a. Walk fences may not exceed 2' in height and spread.
 - b. Trot fences may not exceed 3' in height and spread for horses and 2' in height for ponies in classes restricted to ponies.
 - c. Brush obstacles, hedges, split-rail fences, simulated rock or stone walls, ditches, banks and other specialty jumps designed to simulate natural obstacles found in the hunt field.
 - d. The first fence of any hunter course.
2. Except in case of inclement weather, broken equipment or similar emergency a course must not be altered except by written permission of all exhibitors. If one or more original obstacles are rendered unusable during a class and no duplicate exists, management may substitute obstacles which approximate as nearly as possible the originals.

3. In classes where Federation course requirements have not been met and the violation has not been observed and corrected prior to the third competitor's performance, the class must be completed without altering the course and the results will stand for the purposes of the Championship.
 - a. With the exception of a course set at an improper height, competitors who have gone over the course with the violation have the option of re-jumping the course.
 - b. Classes conducted over improper courses are ineligible for Federation Horse of the Year Award points.
4. Horses must be shown over a minimum of eight obstacles the required height in all rated sections.
5. In all rated Hunter sections, at least two different courses are required. At least one change of direction (change of lead) is required in every course. All rated sections at National and Premier rated shows, except for Green Hunter Pony, Green Hunter 3'0" and 3'3", and Young Hunter sections, must offer an over fence class as a Handy Hunter. This Handy Hunter class may not be the first class of a section nor can it be the designated first round of a classic when using one round of a section as the first round of a classic.
6. No course may have exhibitors trotting or cantering through the in-gate or out-gate; any exhibitor choosing to trot or canter through the in-gate or out-gate will be eliminated.
7. In over fences classes, riders shall not be required to hand gallop the first fence of a line consisting of a measured distance.
8. A track is established once a horse has landed from a fence or completes a required test and follows the horse until the consecutive fence is jumped or the next test is executed. Upon completion of each consecutive fence or performance of the next test, the track is erased. Crossing a track between obstacles and/or required tests shall constitute a disobedience and will be penalized by the judge(s). Exceptions:
 - a. A course diagram that requires a rider to cross their track.
 - b. Snake or multiple panel jumps that are jumped consecutively.
9. For the purposes of eligibility and cross entry corresponding heights are:

Height (metric equivalent height)	Corresponding JP/EQ metric class fence heights used for Hunter and Equitation cross entry and eligibility
2'3" (.69 meters)	.70 meters
2'6" (.76 meters)	.75 meters
2'9" (.84 meters)	.85 meters
3'0" (.91 meters)	.90 meters
3'3" (1.00 meters)	1.00 meters
3'6" (1.07 meters)	1.10 meters
3'9" (1.14 meters)	1.15 meters

4'3" (1.30 meters)	1.30 meters
4'6" (1.37 meters)	1.40 meters

HU110 Course Diagrams

1. Course diagrams must be posted at least one half-hour before scheduled time of class unless they have been illustrated in the prize list. The plan or diagram of the course must show the obstacles which must be taken in the order indicated by numbers but apart from this the rider is not bound to follow a compulsory track. An arrow is used on the diagram to indicate the direction in which each obstacle is to be taken. When distances between related fences in all classes, rated or unrated, are 100' or less, the distance must be included on the posted course diagram.
2. If the area of the courtesy circle is to be restricted by a mandatory line, the line must be indicated on the diagram and a corresponding barrier must be erected on the course. As this becomes part of the judging specifications, this policy must be clearly stated in the prize list (see GR901.10) and announced at least one hour prior to the class.

3. All posted courses at Federation-licensed competitions must include the numbers of fences to be jumped (i.e. Fences 1-8).

HU111 Height of Obstacles

When a range of fence heights is allowed in a class or section, the minimum height must be used unless a higher height is specified in the prize list. In all cases, the spread of jump may not exceed height and must be measured including flowers, brush and ground lines.

 - c. If a 3'3" Amateur Owner Hunter Section is offered, obstacles are to be 3'3"
 - d. If a competition offers both 3'3" and 3'6" Amateur Owner Hunter sections, regardless of the competition's rating, the obstacles must be set at 3'3" and 3'6" respectively
9. Adult Amateur Hunter Sections: See individual USHJA Zone specifications. For those USHJA Zones that do not provide specifications, obstacles will be 2'9" to 3'3".
10. Non-rated sections: Heights determined by competition management unless otherwise specified
11. Ladies Side Saddle Sections: 3'13. Junior Hunter Sections:

15. Three-Year-Old Hunter: Not to exceed 2'9"
16. Small Hunter Sections: 3'
17. Thoroughbred Hunter: 3'0"

HU112 Type

1. Obstacles must simulate those found in the hunting field such as natural post and rail, brush, stone wall, white board fence or gate, chicken coop, aiken, hedge, oxer, etc.

2. Chicken coops hinged at the top and free at the bottom; triple bars and hogs back; striped rails; targets; any spread over 4' and square oxers are prohibited.
3. Every course must have at least four different type obstacles. (Exception: see HU172.10). The jumpable portion of all obstacles must be a minimum width of eight feet wide.
4. A minimum 2" difference is required for the back element of an obstacle. A ground line is required for all obstacles except in Handy Hunter classes.
5. Jump Cups.
 - a. The top element of all obstacles except the back rails of oxers must be securely placed with cups at least 1 1/2 inches deep and 3 inches wide so that a slight rub will not cause a knockdown and must be equally secure for different heights in the same class.
 - b. At all Federation approved competitions, FEI approved safety cups must be used for the back rail of all oxers.
 - c. Logs, caps on walls and gates with a separate plank style top element that can be knocked down are permitted.
6. In Handy classes obstacles must simulate those found in trappy hunting country. The course must have at least two changes of direction, at least one in and out, as well as three of the following: hand gallop a jump, bending line, rollback turn, halt, fence at the end of the ring or open a gate while mounted or trot over one obstacle (exception: in and outs are optional for Pony Handy courses). Judges must place emphasis on promptness and tight turns with precedence being given in that order. Handiness is defined as time and ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. Hand Gallop is defined as a significant increase in pace without sacrificing performance or style.

HU113 In and Outs

1. An in and out is considered as two obstacles in the required number of obstacles. It must never be used at the start of a course.
2. An in and out is two jumps set for one or two strides. The distance may be adjusted during a class requiring different fence heights. Exception: The distance must be adjusted in Pony Hunter classes, see HU114.

HU114 Pony Hunter

In the event that any or all of the Pony Hunter sections (Small, Medium, Large) are combined, the course designer may add or remove fill as necessary to meet the requirements of HU114.1 (spread of a jump). Every effort should be made to make the jump look as similar as possible at each height. Any removed fill should not be left next to the jump, and should be placed within an island or decoration, or removed completely from the ring.

1. Heights and Spreads.
 - a. Fences may be a maximum of 3" lower in Zones 11 and 12.
 - b. If a competition offers a team or pairs class or a Pony Hunter classic in which ponies of mixed heights are permitted, the prize list must state the height of the fences and stipulate all judging requirements.
2. Distances.
 - a. If the distance between related fences is less than 100' (including in and outs), the distance must be adjusted for each height section.
 - b. In Regional rated sections, there must not be any other fences in the same line as an in and out.
3. Exception: In and outs are optional for Pony Handy Hunter classes.
4. For all Hunter classes restricted to ponies, the first obstacle of all courses must be a vertical. For Pony Hunter Handy courses, leading over one obstacle as well as opening a gate are prohibited.

SUBCHAPTER HU5 – OFFICIALS

HU115 Veterinarian

In reference to GR1211.5.a., every competition must have a qualified veterinarian present throughout the competition if the previous year's competition's entry number was 200 horses or greater.

HU116 Judges

1. In National rated sections, a minimum of one Registered judge must officiate. Exception: Judges of either Registered or Recorded status may officiate the following sections alone or independently: Children's Hunter, Children's Pony Hunter, Adult Amateur Hunter, Low Children's Hunter Horse or Pony, Low Adult Amateur Hunter, Small Hunter, Thoroughbred Hunter, Ladies Side Saddle, Hunter and Pony Hunter Breeding, and any USHJA Hunter section.
2. In Premier rated sections, the following applies:
 - a. A minimum of two Registered judges must officiate. They may officiate independently or together. If judging independently, no more than 60% of the classes in the section may be officiated by the same judge. (Exception: High Performance Working Hunter, Performance Hunter 3'6, Performance Hunter 3'3" and Pony Hunter sections held on one day).
 - b. Judges of either Registered or Recorded status may officiate the following sections alone or independently: Children's Hunter, Children's Pony Hunter, Adult Amateur Hunter, Low Children's Hunter Horse or Pony, Low Adult Amateur Hunter, Small Hunter, Thoroughbred Hunter, Ladies Side Saddle, Hunter and Pony Hunter Breeding, and any USHJA Hunter section.
3. All judges who are assigned to a Conformation section must judge the Model class.

The Hunter Course Designer or their designated representative must be present at the ring(s) during all Hunter classes for which they have responsibility and be available to report to the judge at any time. The course designer, or their designated representative, must ensure that the courses are properly set for the competition. (Exception: breed restricted competitions and open competitions with 50% or more breed restricted classes.)
2. A Regional, 'r', or 'R' Hunter Course Designer is required to officiate for all Hunter classes at Federation licensed Regional competitions.
3. A 'r' or 'R' Hunter Course Designer is required to officiate for all Hunter classes at a Federation licensed National or Premier competitions.
4. An 'R' Hunter Course Designer is required to officiate for any Hunter classes offering \$5,000 or more in prize money.

SUBCHAPTER HU-6 JUDGING

HU118 General

1. All classes must be judged on performance and soundness and when indicated, conformation, suitability or manners.
 - a. When a horse makes two faults at one obstacle only the major fault will be counted. (Exception: refusals count in addition.)
 - b. When an obstacle is composed of several elements in the same vertical plane, a fault at the top element is the only one penalized

- c. At an in and out, the faults committed at each obstacle are considered separately. In case of a refusal or runout at the 2nd obstacle of an in and out, the competitor may re-jump both obstacles of the in and out. Judges must penalize unsafe jumping and bad form over fences, whether touched or untouched.
 - d. Teams, pairs and unicorns (abreast and tandem) should be judged as a single unit, scoring only major faults at each obstacle. (Exception: in cases where two or more horses have knockdowns or refusals, they are scored cumulatively.) In tandem formation, faults for horses not keeping proper hunting distance apart and in abreast formation, faults for horses not keeping abreast will be calculated at the rate of 1/2 fault for each 1/2 horse's length and are cumulative at each obstacle, as well as at each end of the ring; or on an outside course, at each obstacle and between each obstacle. No additional penalty for finishing out of original order.
 - e. In classics and when a class is held on an outside course, brilliance should be emphasized.
2. Circling once upon entering the ring and once upon leaving is permissible.
 3. In all classes over obstacles, all horses being considered for an award must jog for soundness using either Option A or Option B below. (Exception: sections or classes with specifications that do not require horses to jog, and unrated classes). Management must state in the competition prize list which method of jogging will be used. Horses/ponies that are unsound will be eliminated and ineligible for an award in that class. The judge's decision regarding soundness is final.

Option A: Horses/ponies are required to trot a circle on a loose rein at the end of each over fences performance. Horses/ponies may be asked to return to the ring and trot another circle at the judge's discretion.

Option B: Horses/ponies will be jogged together with the rider unmounted in the judge's order of preference. Two additional entries in addition to the number of ribbons must jog if there are sufficient entries. Horses/ponies may be asked to re-jog at the judge's discretion. A horse/pony may not leave the ring until the job has been declared official by the judge, or it will be eliminated. A horse that is unruly, one that breaks away from the handler or one whose actions threaten to endanger the rider, handler, other exhibitors or their entries will be eliminated. (Exception: Hunter Breeding and Pony Breeding). A horse may not be eliminated for receiving outside assistance in the jog. In classes restricted to ponies a junior must jog the pony for soundness.

4. In classes over obstacles, competitors cannot be requested to show at a walk, trot and canter or to re-jump the course unless eliminations are held. If eliminations are held, the finals are judged as an independent class.
5. After all competitors have had an opportunity to compete over a course in the High Performance Hunter and Performance Hunter section, competitors with faults which would eliminate the competitor from the ribbons, may be excused by the judge at management's discretion, provided four (4) more competitors than the number of ribbons awarded have completed the course. In Green Hunter classes riders are encouraged to withdraw after a major fault.
6. In cases of broken equipment or loss of shoe while competing, the rider or handler may choose to continue without penalty. If they decide to stop to address the situation that rider/handler will be eliminated. In the case of the jump(s) falling over due to weather or act of God, the rider must remain in the ring until receiving instructions from the judge(s) or be eliminated. In this instance, the decision of the judge(s) is final.
7. In the event of elimination, the horse must exit the ring immediately.
8. Obstacle Not Properly Set. If a competitor jumps an obstacle that has not been reset, or has been reset improperly, due to it being downed by a previous competitor, the weather, or some other factor, the competitor receives no penalty. However, if the competitor knocks down the obstacle they will be penalized accordingly.
9. Results Record. Competitors in an over fences class shall have the following reasons recorded as applicable on the official show results as follows:
 - a. Did Not Compete (DNC) indicates that the competitor failed to enter the arena for the class. Riders can also scratch from classes, including in the rated sections. The competitor will not receive a refund but each horse's respective record will show that the horse did not compete in the scratched classes.

- b. Did Not Place (DNP): All other competitors that competed but did not place in the ribbons or earn a different recording will be recorded as Did Not Place.
- c. Judges are encouraged to mark their cards with (RT) for competitors who entered the arena but voluntarily retired before completing the course; (EL) for competitors that were eliminated; and (OC) for competitors that did not adhere to the course as documented and were subsequently eliminated.

HU119 Definition of Competed

A horse has competed in an over fences class when the horse's entry number and a score for at least the first jump are recorded on the judges card. A horse failing to complete the entire course is not eligible to receive points, awards, or prize money. A horse has competed in an under saddle class when the horse has entered the ring. When three or fewer horses compete in an under saddle class, all horses' numbers must be listed on the judges card regardless of whether they receive an award.

HU120 Definition of Completed

A horse has completed an over fences class when the horse completes the posted course and a score is recorded on the judge's card. A horse failing to complete the entire course is not eligible to receive points, awards, or prize money, nor will it be counted in the number of entries necessary to fill a class or section. A horse has completed an under saddle class when the horse has executed all the gaits required and remains in the ring until the class has lined up.

HU121 Soundness

All horses must be serviceably sound. All horses being considered for an award must jog for soundness (Exception: Under Saddle classes, sections or classes with specifications that do not require horses to jog, in unrated classes). See HU118 for methods of jogging for soundness. Horses/ponies that are unsound will be ineligible for an award in that class. The judge's decision regarding soundness is final. See HU118 for methods of jogging for soundness. Horses/ponies that are unsound will be eliminated and ineligible for an award in that class. The judge's decision regarding soundness is final.

HU122 Conformation

Quality, substance and soundness. Judges must penalize but not necessarily eliminate horses with structural faults, defects and blemishes (such as pin firing) in areas which might impair their activity and durability. Horses must be stripped for conformation judging in any class. (Exception: Under Saddle classes.)

HU123 Performance

- 1. An even hunting pace, manners, jumping style together with faults and way of moving over the course. Manners to be emphasized in Ladies and Amateur classes; brilliance in Corinthian and Formal Hunting Attire classes.
- 2. When the class is held in a ring, the performance starts as the competitor enters and ends when they leave. When the class is held outside, the performance starts at any spot designated by competition management and ends at any spot so designated. If the start and finish are not clearly set forth, it is suggested that a judge consider the start approximately 50' before the first obstacle and the finish approximately 50' after the last.

HU124 Faults

- 1. The following faults are scored according to the judge's opinion and depending on severity or division, may be considered minor or major faults.

- a. Rubbing the jump
 - b. Swapping leads in a line or in front of a jump
 - c. Late lead changes
 - d. Spooking
 - e. Kicking up or out
 - f. Jumping out of form
 - g. Jumping off the center line of jump
 - h. Bucking and/or playing
 - i. Adding a stride in a line with a related distance
 - j. Eliminating a stride in a line with a related distance
 - k. Striking off on a wrong lead on the courtesy circle. (May be corrected with either a simple or flying change of lead)
2. The following are considered major faults.
- a. Knockdown
 - b. Refusal
 - c. Refusal or stopping while on course
 - d. Crossing the track. A track is established once a horse has landed from a fence or completes a required test and follows the horse until the consecutive fence is jumped or the next test is executed. Upon completion of each consecutive fence or performance of the next test, the track is erased. Crossing a track between obstacles and/ or required tests shall constitute a disobedience and will be penalized by the judge(s). Exceptions
 - 1. A course diagram that requires a rider to cross their track
 - 2. Snake or multiple panel jumps that are jumped consecutively
 - e. Dangerous jumping
 - f. Addressing a jump - coming to a stop in front of a jump in order to show the jump to the horse.
 - g. Completely missing a lead change
 - h. Adding or eliminating a stride in an in and out
 - i. Breaking stride, or Trotting while on course. (Exceptions-Where posted on the course diagram i.e. trot jumps, steep banks, etc., and also as outlined above in HU124.1k. Striking off on a wrong lead on the courtesy circle.)
3. The following constitute elimination:
- a. Three refusals (Exception: USEF Pony Hunter National Championship, USEF Junior Hunter National Championship, and the national USHJA International Hunter Derby Championship exhibitors will be eliminated after two cumulative refusals).
 - b. Off course
 - c. Jumping course before it is reset
 - d. Bolting from the ring
 - e. Fall of horse and/or rider (rider shall not remount in the ring).

SUBCHAPTER HU-7 CONDUCT OF CLASSES

HU125 Back to Back Classes

No more than two rounds may be ridden back to back. In sections where three classes over fences are held on one day and the section has eight or fewer exhibitors, all three over fences classes may be held using back to

back rounds with the judge's consent. Classes using this format must be jogged, if required, and pinned separately, following the last class. Management may not require back to back rounds in rated classes. Management may not require a judge to score more than three classes concurrently. Classes run back to back must be in the same division (i.e. Hunter or Equitation). Exception: USEF Pony Medal and WIHS Equitation Hunter Phase.

HU126 Jumping Order

1. If a jumping order is established it must be posted in a conspicuous place at least one-half hour before the class. The jumping order must be legible to a mounted rider. If a jumping order is used throughout the section, a systematic rotation of the starting list must be employed so that a complete cycle is made during the competition. Failure to enter the ring within one minute after an audible signal to proceed is given incurs elimination. The time limit for entering the ring must be enforced by competition management. Management may permit a rider to compete out of order to minimize delays and in case of class conflicts.
2. Establishing the Order. (Either manually or via computer) The jumping order for the first round must be established by one of the following procedures:
 - a. The horses' names are drawn individually, starting with the first position and then working down
 - b. The horses' names are listed and their positions drawn
 - c. The horses' names and the positions are both drawn
 - d. The horses' names are listed (with multiple rides pre-spaced) with the first name drawn becoming the first horse to compete in the first round, the remaining horses following from that point (i.e., the horses' name after the one drawn first is second, the next one third, etc.).

HU127 Entry Fees

1. In rated sections in which individual class entry is permitted under these rules, competitions are prohibited from requiring a combined entry fee. A horse that is entered in a section that requires a combined entry fee may be entered in individual classes in another section for which it is qualified. (Exception: the horse may not be entered in the stake class unless it has met all qualifications.) A horse that is exhibited in the first performance class of rated section must pay a combined entry fee, unless otherwise permitted in this chapter. After the first performance class exhibitors may enter individual classes at management's discretion.
2. A Model class may not be included in a combined entry fee. It must always be offered separately as an optional class.

SUBCHAPTER HU-8 HUNTER SECTIONS

HU128 General

Hunter classes are to be judged on performance, way of moving and soundness. All horses being considered for an award must be serviceably sound.

HU129 Under Saddle and Hack Classes

1. In Under Saddle and Hunter Hack classes, horses are shown at a walk, trot and canter both ways of the ring. Light contact with the horse's mouth is required. Horses should be obedient, alert, responsive and move freely. They should not be eliminated for slight errors. Judges may ask horses to hand gallop collectively, one way of the ring. (Exception: green classes.) No more than eight will be asked to hand gallop at one time. (Exception: Hunter National Championships see Championship Specifications) All horses being considered for an award must be serviceably sound. Judges must work competitors in groups of (20) or less or they must work a larger group in one direction, line up their selected competitors before working those remaining on the

rail in the second direction, excusing the unselected competitors, and judging the selected competitors in the second direction.

2. To be eligible for a Model or Under Saddle class counting toward a Championship in any rated hunter section, horses must be entered in at least one full point class over obstacles in the same section during the competition. To maintain awards or points won in the aforementioned classes the competitor must complete the course in at least one class.

HU130 Non-rated Classes

HU131 Hunter Eligibility and Green Eligibility Status for Horses

1. In all cases, the Hunter eligibility and green status of the horse is the responsibility of the owner.
2. Hunter eligibility for a horse begins when a horse of any age, competes for the first time in any over fences class with jumps at three feet (3'0") in height or higher in any Hunter or Hunter/Jumping Seat Equitation classes or sections held at a Federation or Equine Canada licensed competition. Any previous jumper experience attained prior to the horse competing in its first Hunter or Hunter/Jumper Seat Equitation class at 3'0" or above shall not impact the horse's green status. Once a horse begins competing in any of the classes mentioned above, however, competing in comparable jumper classes will impact a horse's green eligibility in the same manner as Hunter or Hunter/Jumping Seat Equitation classes.
3. Once a horse begins its Hunter eligibility by competing in Hunter or Hunter/Jumping Seat Equitation classes or sections at 3'0" or higher held at a Federation or Equine Canada licensed competition the following statements apply:

- b. Green Hunter 3'6": A horse in its first competition year showing in classes with fence heights 3'6" (or 1.10m) or higher is eligible for the Green Hunter 3'6" section for one competition year. Exception: see points 1 and 2 below.
 1. A horse shall remain eligible for the Green Hunter 3'6" section in a future year if it meets the following criteria:

 2. Should a horse meet all of the above criteria, its Green Hunter 3'6" year may be postponed for a future competition year. The next competition year during which a horse competes in any Hunter, Hunter/Jumping Seat Equitation, or Jumper classes of 3'6" or higher at a Federation or Equine Canada licensed competitions shall be considered the horse's Green Hunter 3'6" year.
- c. Green Hunter 3'9": A horse in its second competition year (not necessarily consecutive) of showing in classes with fences 3'6" or higher is eligible for the Green Hunter 3'9" section for one competition year.

SUBCHAPTER HU-11 SHOW CHAMPIONSHIPS

HU154 General

1. Show Championships must be offered in rated sections.
2. A Championship may not be offered in a section unless a minimum of two over fences classes and one Under Saddle class are held. A Championship will not count for points unless a minimum of three entries complete in at least two over fences classes and one under saddle class (Exception: Ladies Side Saddle, see HU151; Performance Hunter, High Performance Hunter, and any other sections where individual classes may be entered, see HU154.3). If a competition offers more than one Under Saddle class in any one section, only one will count towards the Championship. (Exception: classes divided as to weight, height, age or breeding.) The prize list must specify the class to count.

3. The number of Championship and Reserve Championships that are awarded will be determined by the number of sections created from dividing the first over fences class. In order to award a section Championship in the Performance Hunter, High Performance Hunter, and any other sections where individual classes may be entered at least two (2) over fences classes per section and one (1) under saddle class must be held in which a minimum of three (3) entries complete. When multiple Championships are awarded when using the California Split method, under saddle classes with fewer than thirty (30) entries are not required to be split. When multiple Championships are awarded and only one under saddle class is held the points from the one under saddle class will be used to calculate the Championship for both sections. When a random split is used, multiple Championships may only be awarded if a minimum of two (2) over fences and one (1) under saddle class are held per section.
 - a. When a Championship is offered, management must keep a score card or chart of winnings throughout the competition, which must be prominently displayed so that exhibitors may inspect it at all times. Only the first six ribbons count towards Championships regardless of the number offered.
 - b. Ribbons won in classes with specifications restricting horses in any manner, will not count toward any Championship unless such classes are complementary and over the same course, affording equal opportunity to all horses competing. If, however, competition management, having reserved the right to do so in the prize list, combines two or more complementary classes because of insufficient entries, thus making one open class, ribbons won in such a class count toward the Championship.

HU155 Show Championship Eligibility

1. General.
 - a. The Champion and Reserve Champion titles are awarded to the top two of the four horses that acquired the most points performing over a regulation course with obstacles at the full height required in the section in which shown, except under the provisions of HU151. In addition to these points, only these four horses, receive half points for ribbons won in Model classes and full points for ribbons won in one Under Saddle class. Exception: High Performance and Performance Hunter sections with three classes receive half points for the under saddle class, see HU135.
 - b. The prize list must state the numbers of the full point and half point classes counting towards the Championship in each section.
2. The following classes do not count towards nor make a horse eligible for Championships: Appointment, Breeding, Local, Junior, Consolation, Maiden, Novice, Limit, Owners, Hunter Hack, Pairs, Teams and any class restricted unless complementary classes are offered. Points won in one section do not count towards nor make a horse eligible for the Championship in another section.

HU156 Ties

1. In case of a tie score the Championship and/or Reserve is awarded to the horse that accumulated the most points over fences. If horses have an equal number of points over fences and no points under saddle, the tied horses will be asked to compete in a hack off, or independent under saddle class, to be judged on soundness and performance at the walk, trot and canter. Competitors may be asked to hand gallop at the discretion of the judge. (Exception: Green Hunters and Young Hunters.) Any competitor may concede to the other if they choose not to hack off, or if both competitors agree, they may choose to break the tie with a coin toss. If horses have an equal number of points over fences, under saddle, and model (i.e. Green Conformation Hunter 3'6" or High Performance Conformation Hunter) the tie will stand as is and both horses will receive Horse of the Year Points in their respective Champion and/or Reserve position.
2. If all tied horses are declared unsound, selection of the winner among such tied competitors is left to the discretion of the judges.

HU157 Combination Hunter Championship

All competitions with a limited number of Hunter classes, including events in more than one section (i.e. High Performance Conformation or Green Conformation Hunter 3'6", Green, High Performance or Performance Hunter), may count points won in such classes toward a Combination Hunter Championship. A Combination Hunter Championship and Reserve are awarded to two of the four horses which have acquired the most points performing over a regulation Hunter course with fences the height required in the section in which shown. In addition to these points, only these horses receive half points for ribbons won in Model, Maiden, Novice, Limit and Green classes and full points for ribbons won in one Under Saddle class or, if not held, in one Hunter Hack class, if otherwise qualified. The prize list must specify which classes count. This Championship does not count toward a Federation Horse of the Year Award except for Amateur Owners Hunters.

HU158 Challenge Trophies

If a Challenge Trophy for a Championship is being offered in a section that has not previously been divided it must be awarded to the horse which has obtained the most points towards the Championship in its respective section. If a Challenge Trophy for a class is being offered in a class that has not previously been divided it shall be awarded to the first place winner with the best performance.

SUBCHAPTER HU-12 COMBINING AND DIVIDING OF SECTIONS OR CLASSES

HU159 General

HU160 Prize money

Whenever a section is divided, the prize money offered in each divided section must be the same as offered in the original section. Additionally, the prize money offered per class and per placing in each of the divided sections must be no less than the amounts offered in the original undivided section.

1. Prize money must be doubled whenever a section is divided.
2. Unless otherwise approved by the Federation, prize money (including exhibition class prize money), bonus money, add backs, leading rider, and/or any other award (including series awards), whether cash or in-kind, are

all included in the calculation for total prize money when determining Hunter Rating. All elements of the total hunter prize money must be included and reported to the Federation in the Prize List and competition results. For purposes of these rules, cash prize money must be used to meet the minimum prize money paid as required by the relevant Hunter Rating. In-kind prizes may be awarded in addition to the cash prize money offered but the total combined value shall not exceed the maximum prize money permitted in the relevant Hunter Rating. In-kind prizes shall be valued at the fair market value of the prize.

3. Leading Rider and other series awards do not count toward USEF Horse of the Year standings or qualification for any other USEF competitions.

6. Age of Rider

HU162 Definition of a California Split:

1. The California Split is used to divide large classes. The judge keeps track of twice the number of placings required for either ribbons or the jog order. At the completion of the jog, the judge creates two separate orders using alternating numbers in the following manner: the highest score is first in Section A, the second highest score is first in Section B, the third highest score is second in Section A, the fourth highest score is second in Section B and so on until all placings are awarded or the jog order is complete. The result is two sections of the same class being pinned separately. Competition Management may choose to split classes using the California Split after the class has started.

Example:

Horse's Placing	Prize Awarded
1st	1st
2nd	1st
3rd	2nd
4th	2nd
5th	3rd
6th	3rd
7th	4th
8th	4th
9th	5th
10th	5th
11th	6th
12th	6th
13th	7th
14th	7th
15th	8th
16th	8th

2. Jog. The judge will call one jog order of up to twenty (20) horses. Once the horses have jogged for soundness and the jog has been made official, the A and B sections will be pinned using the California Split.

3. Under Saddle. A Section with twelve (12) or less must be judged as one class using the California Split. Sections that are judged under the California Split must have results for Section A and B. A random split will be used for under saddle classes of more than twelve (12).
4. In reckoning Championship points, the top eight horses that receive the most points in the Over Fences classes are awarded points for the Under Saddle and/or Model class(es). The Championship is awarded as follows: Horse with most points—Champion Number 1. Horse with second highest points— Champion Number 2. Horse with third highest points—Reserve Champion Number 1. Horse with fourth highest points— Reserve Champion Number 2.

HU163 Definition of a Random Split

A random split allows management to draw horses for a section either by hand or a computer-generated draw. The number of horses in each section must be equal with a variable of one.

HU164 Definition of Floating Split

A Floating Split allows management to adjust sections offered split by age in the prize list either up or down in one year increments until the minimum number of entries required for each new section has been reached. As long as the minimum requirements for splitting sections are met, management may split the sections using the age split they deem most appropriate for their competition. Rider age must be given on the entry blank.

HU165 Definition of Split by Junior Amateur

If there are 30 or more entries in a section that is open to all competitors, Competition Management may choose to divide the section and offer one of the divided sections as restricted to Juniors and Amateurs (See GR128 and GR1306-GR1307 for definition of Junior and Amateur).

HU166 Combining and Dividing Specific Sections

1. Performance Hunter and High Performance Hunter.
 - a. Number to hold separate sections: Performance: four (4) and High Performance three (3). If four (4) compete and only three (3) complete (i.e. one is eliminated or retires) points will be awarded as per GR 1113.
 - b. Combining
 1. At all licensed competitions, if there are fewer than four entries in either the Performance Hunter 3'3" or Performance Hunter 3'6" they must be combined, but they cannot be combined with any other Hunter sections, except High Performance Hunter. If there are four or more entries in each Performance Hunter section, they must be held separately. If the Performance Hunter 3' 6" and the Performance Hunter 3'3" sections have fewer than three entries after they have been combined they may be further combined with the High Performance Hunter section.
 2. If there are fewer than three entries in the High Performance Hunter section it must first be combined with the Performance Hunter 3'6" section or the Green Hunter 3'9" section (or with Green Hunter 3'6"/3'9" if offered combined). If the High Performance Hunter section is combined with the Performance Hunter 3'6" section it may then further be combined with the Performance Hunter 3'3" section, but may not be combined with the Green Hunter section(s).
 3. When the High Performance Hunter section is combined with the Performance Hunter section the following applies:
 - a. When combining High Performance Hunter with Performance Hunters, the combined sections must offer the same number of classes offered by the Performance Hunter section(s) with which it is combined.

- b. When combining High Performance Hunter with another section, if different amounts of prize money or entry fees were offered in the original sections, the combined sections will use the lower amount for both prize money and entry fees.
- 4. When the High Performance Hunter section is combined with the Green Hunter section the following applies:
 - a. If, after combining, there are still fewer than three entries in the combined section, it must be further combined with the Green Hunter 3'6" section
 - b. If combined Green Hunter sections have fewer than three entries, they must be combined with High Performance Working Hunter.
 - c. A horse that is eligible for more than one section must be declared and compete in only one. Horses will jump the respective height for the entered section.
 - d. When combining High Performance Working Hunter with another section, if different amounts of prize money or entry fees were offered in the original sections, the combined sections will use the lower amount for both prize money and entry fees.
 - e. When combining a section of High Performance Hunter with either a section of Green Hunter 3'6", Green Hunter 3'9", or both, the combined sections must offer the same number of classes offered by the Green Hunter section(s) with which it is combined. In addition, a section entry fee will be required and individual classes may no longer be entered for the combined section.
 - f. The High Performance Hunter section may be combined with a combined Green Hunter 3'6"/3'9" section but may not be combined with any Green Hunter 3'3" or 3'0" sections.
- c. Dividing:
 - 1. In Performance Hunter, High Performance Hunter and any other sections where individual classes may be entered, the sections may only be divided after thirty (30) horses have competed in the first over fences class. Subsequent classes may be divided once twelve (12) horses have competed in each class. For Championships, see HU154.
- 2. Green Hunter
 - a. Number to hold separate sections: three (3).
 - b. Combining:
 - 1. Green Hunter section(s) may not be combined with any other hunter section(s). (Exception; The High Performance Hunter section may be combined with the Green Hunter 3'6" and 3'9" sections, see HU164.1)
 - 2. Regardless of competition rating, each Green Hunter section that is offered separately must be held separately when there is a minimum of three entries.
 - 3. If there are fewer than three entries in a Green Hunter section, that section must be combined with a contiguous fence height section of the Green Hunter.
 - 4. If, after combining, there are still fewer than three (3) entries in the combined section, it must be further combined with the next contiguous fence height section of the Green Hunter.
 - 5. In the case where there are no entries in the fence height section that bridges the gap between the two non-contiguous fence height sections those two non-contiguous fence height sections may be combined.
 - 6. If Premier or National rated Green Hunter 3'0" and/or 3'3" sections are combined with Premier or National rated Green Hunter 3'6" and/or Green Hunter 3'9" sections a Handy Hunter class is not required. The combined sections must meet class number requirements for Premier or National rated Green Hunter 3'6" and Green Hunter 3'9" and use the lower amount for both prize money and entry fees.
 - 7. When the High Performance Hunter section is combined with the Green Hunter section the following applies:
 - a. If, after combining, there are still fewer than three entries in the combined section, it must be further combined with the Green Hunter 3'6" section
 - b. If combined Green Hunter sections have fewer than three entries, they must be combined with High Performance Working Hunter.

- c. A horse that is eligible for more than one section must be declared and compete in only one. Horses will jump the respective height for the entered section.
 - d. When combining High Performance Working Hunter with another section, if different amounts of prize money or entry fees were offered in the original sections, the combined sections will use the lower amount for both prize money and entry fees.
 - e. When combining a section of High Performance Hunter with either a section of Green Hunter 3'6", Green Hunter 3'9", or both, the combined sections must offer the same number of classes offered by the Green Hunter section(s) with which it is combined. In addition, a section entry fee will be required and individual classes may no longer be entered for the combined section.
 - f. The High Performance Hunter section may be combined with a combined Green Hunter 3'6"/3'9" section but may not be combined with any Green Hunter 3'3" or 3'0" sections.
- c. Dividing:
 - 1. Regardless of competition rating, any Green Hunter section that is offered combined must be split by fence height, and sections held separately when there is a minimum of three entries in any one fence height section provided at least three (3) entries remain in each of the other two sections, which would also be held separately, or as one other combined section. Contiguous fence height sections should be combined before combining non-contiguous fence height sections.
- 3. Young Hunter
 - a. Number to hold separate sections: three (3).
 - b. Combining:
 - 1. Young Hunter section(s) may not be combined with any other Hunter section.
 - 2. At Competition Management's discretion, and with at least three (3) Young Hunters entered in any section, the Young Hunter Section(s) may run concurrently with the corresponding Green Hunter height section or Combined Green Hunter Section. Horses that are entered in both the Young Hunter and Green Hunter section(s) will be eligible for awards in both sections. Horses that are not entered in both sections will only be eligible for awards in the section in which they are entered. If there are fewer than three (3) entries in any of the Young Hunter section(s) they must be combined for awards per HU166.3. A separate entry fee for the Young Hunter Section will apply. The Green Hunter section requirements by rating listed in HU166.2 will still apply.
 - 3. Regardless of competition rating, each Young Hunter section that is offered separately must be held separately when there is a minimum of three entries. If there are fewer than three (3) entries in a Young Hunter section that section must be combined with a contiguous fence height section of the Young Hunter. If, after combining, there are still fewer than three (3) entries in the combined section, it must be further combined with the next contiguous fence height section of the Young Hunter. In the case where there are no entries in the fence height section that bridges the gap between the two non-contiguous fence height sections those two non-contiguous fence height sections may be combined.
 - c. Dividing:
 - 1. Regardless of competition rating, any Young Hunter section that is offered as a combined section must be split by fence height, and sections held separately when there is a minimum of three entries in any one fence height section provided at least three (3) entries remain in each of the other two sections, which would also be held separately, or one other combined section. Contiguous fence height sections should be combined before combining non-contiguous fence height sections.
- 4. Green Conformation Hunter 3'6" and High Performance Conformation Hunter
 - a. Number to hold separate sections: three (3).
 - b. Combining:
 - 1. The Green Conformation Hunter 3'6" may only be combined with the High Performance Conformation Hunter. The High Performance Conformation Hunter may only be combined with the Green Conformation Hunter 3'6".
 - 2. When offered as two sections, if there are fewer than three (3) horses in either the Green Conformation 3'6" or the High Performance Conformation section they must be combined.

3. When combining Green Conformation Hunter with High Performance Conformation Hunter, if different amounts of prize money or entry fees were offered in the original sections, the combined section will use the lower amount for both prize money and entry fees.
- c. Dividing: If there are three (3) or more horses in each Conformation section they must be held separately.
5. Junior Hunter
 - a. Number to hold separate sections: four (4) in each section. If four (4) compete and only three (3) complete (i.e. one is eliminated or retires) points will be awarded as per GR 1113.

At Premier, National or Regional rated competitions if there are fewer than three (3) entries in the Amateur Owner 3'3", the Amateur Owner 3'6", the Junior Hunter 3'3" or the Junior Hunter 3'6" sections, Competition Management may choose to combine the sections. The Competition Management may choose to combine the sections as necessary, based on the sections with the lightest entries. If sections are combined, the horses must jump the respective height of the original section entered. In addition, while the sections can be combined if entries warrant, in order for Horse of the Year points to count they must be offered separately in the prize list for Premier rated competitions (see HJ122). When sections are combined as per above, three (3) must complete for points to count.
 3. It is recommended that when competitions anticipate 50 horses or more this section be divided by age of rider or height of horse when prize list is prepared.
 - c. Dividing:
 1. When divided, sections must be split using one of the methods from HU161 Methods of Dividing.
 2. If there are 50 or more entries in the section at the beginning of the first class it must be divided and the prize money must be doubled.
 3. If there are 50 or more entries remaining in a section after it has been divided, the section must be redivided and the prize money must be doubled. Once a section has been redivided it may be divided further if management so desires.
 4. If the Junior Hunter sections are divided by height of animal, they must be divided into Large and Small. Premier rated Junior Hunter 3'6" sections at Premier rated competitions must be offered as four sections (large/younger, large/older, small/ younger, small/older).
 5. If there are four (4) or more entries in each divided section, the divided sections must be held separately. If there are fewer than four (4) entries in any sections divided by age and/or height of animal, those sections must be combined with other sections. If there is a minimum of twelve (12) entries once any sections have been combined, the newly combined section must be redivided.
6. Amateur Owner Hunter
 - a. Number to hold separate sections: four (4) in each section. If four (4) compete and only three (3) complete (i.e. one is eliminated or retires) points will be awarded as per GR 1113.
 - b. Combining:
 1. The Amateur Owner Hunter 3'6", Amateur Owner Hunter 3'3", Junior Hunter 3'6", and Junior Hunter 3'3" sections may only be combined with other Amateur Owner Hunter or Junior Hunter sections. See below for conditions.
 2. At Premier, National or Regional rated competitions if there are fewer than three (3) entries in the Amateur Owner 3'3", the Amateur Owner 3'6", the Junior Hunter 3'3" or the Junior Hunter 3'6" sections, competition management may choose to combine the sections. The competition management may choose to combine the sections as necessary, based on the sections with the lightest entries. If sections are combined, the horses must jump the respective height of the original section entered. In addition, while the sections can be combined if entries warrant, in order for Horse of the Year points to count they must be offered separately in the prize list for Premier rated competitions (see HJ121). When sections are combined as per above, three (3) must complete for points to count.

3. At Premier, National or Regional rated competitions if there are fewer than three (3) entries in the Amateur Owner 3'3", the Amateur Owner 3'6", the Junior Hunter 3'3" or the Junior Hunter 3'6" sections, these sections may be combined. If there are four (4) or more entries in each divided section, the divided sections must be held separately. If there are fewer than four (4) entries in either divided section, they must be combined. If there are a minimum of 12 entries once the sections are combined, the newly combined section must be redivided using either a Floating or California Split. (See HU162 & HU160 for definition of a Floating and California Split.) When using a floating split the age groups must be posted at the competition office. Rider age must be given on the entry blank. When divided as to age of rider no horse may compete in more than one section. These sections may be further divided by age of rider or by every other number.

 3. If there are 50 entries remaining in a section after the section has been divided by height of pony, the section must be re-divided by every other number and the prize money must be doubled.
 4. Once a section has been re-divided it may not be divided further.
 5. If a pony under saddle class has over 30 entries, the class must be split and held in at least two sections with one set of awards.

HU174 Hunter Classics

1. Any Premier, National or Regional rated competition may offer a Hunter Classic.
2. Hunter Classics may be offered for any rated sections offered and held at the same competition. An Open Hunter Classic is a classic that is open to entries from multiple Hunter sections of the same rating. It is permitted for Open Hunter Classics to encompass several fence heights to correspond with the respective Hunter sections being offered. The prize list must state the specific Hunter sections that are invited to compete in the Open Hunter Classic. If a horse competes in more than one Hunter section qualifying for the Open Hunter Classic, the exhibitor must declare their point section to the Competition Secretary on a declaration form at the time of entry into the Classic. All other provisions of HU174 apply to Open Hunter Classics.
 - a. Six (6) entries are required to conduct a Hunter Classic.
 - b. If there are fewer than six (6) entries in any one Hunter Classic, it may combine with other sections of the same rating, regardless of the combining or dividing rules of the section. Exception: The Adult Amateur Hunter Classic, Low Adult Amateur Hunter Classic, Children's Pony Hunter Classic, Children's Hunter Classic, Low Children's Hunter Horse Classic, and Low Children's Hunter Pony Classic may be held with the number of entries indicated in the Zone specifications. If Hunter Classics are combined and a horse is shown in more than one section qualifying for the Hunter Classic, the exhibitor must declare their point section to the Competition Secretary on a declaration form at the time of entry into the Classic.
 - c. Ponies entered in the Green Hunter Pony section are not eligible for the Regular Pony Hunter Classic unless they have competed in the Regular Pony Hunter section (see HU174.6).
 - d. Hunter Classics cannot be divided in any manner and held by section if there are fewer than six (6) entries in each divided section. Exception: Premier or National rated sections must have twelve (12) entries to divide.
3. All Hunter Classics must be conducted as a two round class. A handy hunter round may not be used as part of a Hunter Classic. A Hunter Classic may be conducted as a separate two round class or a designated Hunter class of the specified Hunter section may be counted as the first round of the Hunter Classic. However, the second round may not be another designated class in the Hunter section, but must be held as a separate round. If a designated class is used as a first round, each round shall count 50%.
4. At National and Premier competitions, in sections with a National or Premier rating, Hunter Classics conducted using either a designated Hunter class as the first round or a separate two round class must offer at least \$1000 in prize money, except Pony Hunter Classics, Children's Hunter Classic, Adult Amateur Hunter Classic, and Low Adult Amateur Hunter Classic must offer a minimum of \$500 in prize money. (Exception: Children's Hunter Pony, Low Children's Hunter Horse, and Low Children's Hunter Pony are not required to offer prize money). At Regional competitions, in sections with a Regional rating, Hunter Classics conducted using either a designated Hunter class as the first round or a separate two round class must offer at least \$250 in prize money (Exception: Children's Hunter Pony and Low Children's Hunter Horse are not required to offer prize money and if a Children's Hunter Horse and Children's Hunter Pony Classics are combined, the competition is not required to offer prize money in the combined Classic). At Premier, National or Regional competitions, when a Hunter Classic is conducted as a separate two round class, the minimum prize money offered is stated above.
5. The entry fee may not exceed 10% of the prize money offered in the Hunter Classic.

6. To be eligible, horses must have entered, shown and completed the course in at least two classes in the Hunter section. All horses being considered for an award must be serviceably sound and may be jogged if so stated in the prize list.
7. A minimum of the top 12 entries, if available, or 50% of the entries in the first round, whichever is greater, will return for the second round. If a horse or pony is eliminated in the first round of competition, they may not return for the second round. If a horse/rider combination does not return for the second round or is eliminated during the second round of a classic, a score of zero will be combined with the first round score and the horse/rider combination will be placed accordingly. If possible, twelve places are to be awarded.
8. The Hunter Classic does not count toward the minimum number of classes required for the section's rating.
9. Bonus points will be awarded toward Horse of the Year Awards in the horse's respective section and are based on the number of horses that compete in the classic. In a Hunter Classic using a designated class of the Hunter section as the first round, the number of horses that compete in the classic is determined by the number of horses who have entered and competed in the first round of the classic, not the designated class used as the first round. In a Hunter Classic held as a separate two round class, the number of horses that compete in the classic is determined by the number of horses who compete in the first round of the classic. The bonus points are as follows:
 - a. In a Hunter Classic using a designated class as the first round, the bonus points for Zone HOTY are determined by adding one point for each entry that competes in the first round of a classic to the applicable increment in GR1132.5 and multiplying the result by 1.25.
 - b. In a Hunter Classic held as a separate two round class, the bonus points for Zone HOTY are determined by adding one point for each entry that competes in the first round of a classic to the applicable increment in GR1132.5 and multiplying the result by 1.5.
 - c. In a Hunter Classic using a designated class as the first round, the bonus points for National HOTY are determined by adding one point for each entry that competes in the classic to the applicable increment in GR1132.5 and multiplying the result by 1.75.
 - d. In a Hunter Classic held as a separate two round class, the bonus points for National HOTY are determined by adding one point for each entry that competes in the classic to the applicable increment in GR1132.5 and multiplying the result by 2.
10. The first round of all Hunter Classics must consist of eight (8) to ten (10) obstacles in accordance with HU109. In the second round of all Hunter Classics the course must consist of a minimum of **eight (8)** obstacles of at least six different types. **Exception: separate standalone classics must have ten (10) obstacles.**
11. An open numerical judging system must be used. If there are multiple judging panels, one judging panel must be appointed as the tie breaker.
12. Attire: riders are required to comply with HU107.
13. There is no limit to the number of horses a rider may compete on in a Hunter Classic. Exception: Competitors in a Regular or Green Hunter Pony Classic may only ride two ponies per height section.
14. The same horse/rider combination must compete in both rounds of a Hunter Classic.
15. A horse may not compete in more than one classic per section but may compete in an open classic, a USHJA National Hunter Derby, or a USHJA International Hunter Derby at the same competition. A horse is limited to competing in a maximum of two classics or derbies or combination of classics and derbies per competition. (Exception: Leagues approved by the Federation in accordance with HJ124).
16. The same pony may not compete in the USHJA Pony Hunter Derby and the USHJA National Hunter Derby at the same competition.
17. If more than 30 horses are entered in a Junior Hunter Classic, the classic must be split in accordance with HU166.5b.

Appendix A. USEF Hunter Schooling Rules

1. Schooling over obstacles by a hunter exhibitor while on competition grounds must be consistent with the obstacles requirements set forth in Hunter Schooling Rules Appendix A.
2. For Certified Schooling Supervisor duties and requirements see GR1030.
3. Schooling areas for Hunters must contain adequate standards, jump cups and rail and Hunter-type rails to make a minimum of a trotting fence, a vertical and an oxer.
4. A supervisor of schooling must be appointed for the schooling areas designated for hunters, if the total square footage of these areas is less than 20,000 sq. ft. in size. Exception: Breed-restricted competitions offering hunter classes or sections.
5. Duties of Certified Schooling Supervisors (see also GR1030)
 - a. The Certified Schooling Supervisor's or official competition Steward's decision regarding schooling rules in the warm-up/schooling area is final.
 - b. Competition Management is responsible for providing a Category 1 Steward or Certified Schooling Supervisor to supervise schooling in the Hunter schooling area during any Hunter class offering \$10,000 or more in prize money.
6. Within the thirty minutes prior to the scheduled start of the class, any schooling over obstacles by an entry in a class of \$10,000 or more, or any USHJA National Hunter Derby or USHJA International Hunter Derby must be done in a designated area.
7. The use of FEI approved safety cups is mandatory in all warm-up/schooling areas on the back rails of all oxers. If an oxer is set so that it may be jumped in both directions, safety cups must be used on all top rails. It is the Competition Manager's responsibility to ensure sufficient FEI approved safety cups are available in each warm-up/schooling area, the competitor's responsibility to use the safety cups in the schooling area, and the Steward or CSS's responsibility to ensure the safety cups are being used.
8. The unsafe use of electronic devices, as determined by the competition steward in their sole discretion, including cell phones, while mounted is prohibited in all areas designated for schooling and exercise, and while lunging horses on competition grounds. Earphone(s)/Earbud(s) are prohibited in areas designated for schooling and exercise.
9. It is important to remember that all exercise areas are different in size, type of footing, and jump material provided. Furthermore, the ability of the horse and rider must always be taken into consideration as well when deciding what is permitted and not permitted during preparation.
10. In the schooling/exercise areas during the preparation before competition, a minimum of one vertical and one oxer must be provided. The ground must be in good condition. Management must provide sufficient obstacle material. The jumping area should be large enough to provide sufficient room for the training.
11. Obstacles may be flagged, in which case they must be jumped in the proper direction. The Steward, and/or Schooling Supervisor should decide if the flags may be interchanged.
12. No one may hold a rail or touch a standard while it is being jumped.
13. 10 All rails must be either in cups or totally on the ground (exception: one end of a cross rail may rest on the ground). Rails must be able to fall easily when hit.
14. If a rail is placed on the edge of a cup it must be placed on the far side of the cup, and is only allowed at an oxer if it does not cause the front rail to be higher than the back rail (i.e. offset).
15. Walk rails may be no higher than 12" at the highest point. A walk rail may be parallel to the ground with both ends in cups, or may have one end resting on the ground. Cross rails are NOT allowed. Ground rails are NOT permitted. Horses will approach and depart in a straight line only and may NOT be turned.
16. There may never be more than two (2) rails on the back of an oxer, with the lower rail equal in height to the lowest rail on the front of the oxer. If the oxer is flagged so that it may only be jumped in one direction, there may only be one (1) rail on the back.
17. Ground lines are not mandatory, however if they are used they must be placed either directly below the front of the jump or up to 1 m (3'3") out. If a ground line is used on the landing side of a jump, there must be one on the take-off side, and it may not be any further out than the one on the take-off side. If an oxer is flagged so it may only be jumped in one direction, the ground line is only permitted on the front of the oxer.
18. If a trot, canter or placement rail is used, it may not be used at a jump higher or wider than 1.30m (4'3"). If used on the take-off side, it may not be closer than 2.50m (8'2"). If used on the landing side of a vertical, it

may be no closer than 3.0m (9'10"). If used on the landing side of an oxer, it may be no closer than 20' from the back rail of the oxer.

19. If guide rails are used on the landing side of a jump, the closest part of the rail must be a minimum of 3 m (9'10") from the jump. The schooling supervisor may allow a shorter distance for ponies.
20. A cross rail may be made either by itself, in which case it may not exceed 1.30 m (4'3") in height, or be below a rail at a vertical, or the front of an oxer.
21. Swedish Oxers are permitted with the following stipulations: a) no more than a 6" height difference (low to high points) for ponies, and b) no more than an 18" height difference (low to high points) for horses.
22. If an item (blanket, cooler, etc.) is laid over the rail of an oxer, it may be laid over the front rail. If there is more than one rail on the front of the oxer, the item may be laid over any of those rails.
23. The use of materials which proves dangerous is forbidden.
24. If space and available material allows and safety conditions permit, combinations may be built using correct distances. Bounce jumps may only be used with verticals and may not exceed 1.10m (3'7") in height.
25. Any action deemed not in the best interest of the horse will not be allowed.
26. The total maximum weight of equipment allowed to be added to a horse's leg, front or hind (single or multiple boots, fetlock rings, etc.), is 500 grams or 17.637 ounces (shoe excluded). Failure to comply with this paragraph will incur disqualification.
